CENSUS OF IRELAND, 1911.

COUNTY AND CITY OF LONDONDERRY.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the County (Administrative) and City of Londonderry from the Census Returns of 1911.

SUMMARY.

Area.—The County (Administrative) and City of Londonderry covers an area of 523,525 statute acres, or 2·5 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County and City of Londonderry according to the Census of 1901 was 144,404; and according to the recent Census, 140,625 (67,663 Males and 72,962 Females), or 2·62 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1895), the number of persons in 1901 and 1911, and the increase or decrease during the decade :—

COUNTY DISTRICTS.	Population.		Increase or Decrease between 1901 and 1911.		
	1901.	1911.	Number.		Rate per cent.
			Increase	Decrease.	
Coleraine Urban	6,958	7,785	827	—	11·9
Limavady Urban	2,692	2,667	—	25	0·9
Coleraine Rural	22,959	22,439	—	520	2·3
Limavady Rural	17,931	16,434	—	1,497	8·3
Londonderry No. 1 Rural ..	14,980	14,413	—	567	3·8
Magherafelt Rural	38,992	36,107	—	2,885	7·4
Total of County	104,512	99,845	—	4,667	4·5
Londonderry City	39,892	40,780	888	—	2·2
Total of County and City ..	144,404	140,625	—	3,779	2·6

From the foregoing Statement, it will be observed that there was an increase of 2·2 per cent. in Londonderry City, and of 11·9 per cent. in the County District of Coleraine Urban; but there was a decrease in each of the other County Districts, ranging from 8·3 per cent. in Limavady Rural, and 7·4 per cent. in Magherafelt Rural to 0·9 per cent. in Limavady Urban, and 2·3 per cent. in Coleraine Rural.

Families and Houses (Table VIII.).—The number of distinct Families in the County and City at the time of the late enumeration was 29,860, the average number of persons in a family being thus 4·6. The number of Inhabited Houses was 28,897, showing an average of 4·8 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 20,120, or 67·4 per cent. of the total number of Families in the County and City, and of these 6 were occupiers of part of a room only; 1,609 or 5·4 per cent. of the total number of Families in the County and City were occupiers of one room; 7,137, or 23·9 per cent., occupiers of two rooms; 5,789, or 19·4 per cent., occupiers of three rooms; and 5,579, or 18·7 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County and City was 1,612, comprising 572 cases in which the room had only one occupant; 817 where the room had 2, 3, or 4 occupants; 181 cases in which there were 5, 6, or 7 occupants; and 42 cases where the occupants exceeded 7 in number, including 6 cases of 10 persons, 2 cases of 11 persons, and one of 12 or more persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains 3 such Areas, viz., Londonderry, Coleraine, and Limavady. In 1901 the population of these Areas amounted to 49,542. In 1911 it was 51,232, showing an increase of 1,690 persons, or 3·4 per cent.; but in the remainder of the County there was a decrease of 5·8 per cent.

Pauperism (Table XII).—The number of persons returned in 1901 in the County and City as receiving relief under the Poor Law System was 1,096, or one in every 132 of the population; of this number 690 were inmates of Workhouses, and 406 were in receipt of Outdoor Relief. In 1911 the number returned was 964 or one in every 146 of the population; 651 of these being in the Workhouses, and 313 on Outdoor Relief, which figure includes 31 children Boarded-out.

The Sick (Table XII).—In 1901 the number of persons in the County and City of Londonderry returned as Sick, on the night of the Census, was 709, or one in every 204 of the population. In 1911 the number so returned was 772, or one in every 182 of the population; of the latter number 461 were at their own homes, and 311 were in hospital.

Marriages, Births, and Deaths (Table XIV).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the County and City of Londonderry during the ten years ending 31st March, 1911, was 7,979, equal to an average annual rate of 5·6 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County and City during the ten years was 33,487, affording an average annual rate of 23·5 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 25,515, being equal to an average annual rate of 17·9 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV).—Of the persons enumerated in the County in 1911, 88·6 per cent. were born in the County or City of Londonderry; 8·2 per cent. in other Counties of the Province of Ulster; 0·4 per cent. in Leinster; 0·1 per cent. in Munster; 0·2 per cent. in Connaught; 1·9 per cent. in Great Britain; and 0·6 per cent. were born abroad.

Of the persons enumerated in the City of Londonderry in 1911, 68·0 per cent. were born in the County or City of Londonderry; 22·7 per cent. in other Counties of the Province of Ulster; 1·5 per cent. in Leinster; 0·5 per cent. in Munster; 0·8 per cent. in Connaught; 5·8 per cent. in Great Britain; and 0·7 per cent. were born abroad.

Religious Professions (Table XXIX).—The following Statement shows, according to Religious Professions, the Inhabitants of the County and City of Londonderry in 1911 :—

RELIGIOUS PROFESSIONS.	COUNTY OF LONDONDERRY.		CITY OF LONDONDERRY.	
	Number of Persons.	Per-centage of Total Population.	Number of Persons.	Per-centage of Total Population.
Roman Catholics	41,478	41·5	22,923	56·2
Protestant Episcopalians ..	20,028	20·1	7,148	17·5
Presbyterians	34,236	34·3	8,700	21·4
Methodists	756	0·8	1,183	2·9
All other Denominations (and Religion unascertained) ..	3,302	3·3	817	2·0
Information Refused	45	0·0	9	0·0
Total	99,845	100·	40,780	100·

From the above Table it will be seen that of the total population of the County in 1911, 41·5 per cent. were Roman Catholics; 20·1 per cent. Protestant Episcopalians; 34·3 per cent. Presbyterians; and 0·8 per cent. Methodists. In 1901 Roman Catholics formed 41·4 per cent.; Protestant Episcopalians, 19·6 per cent.; Presbyterians, 35·1 per cent.; and Methodists, 0·7 per cent. of the population of the County.

In the City of Londonderry, according to the present Census, 56·2 per cent. of the population were Roman Catholics; 17·5 per cent. Protestant Episcopalians; 21·4 per cent. Presbyterians; and 2·9 per cent. were Methodists. In 1901, Roman Catholics formed 55·2 per cent. of the population; Protestant Episcopalians, 18·2 per cent.; Presbyterians, 22·5 per cent.; and Methodists, 1·8 per cent. of the population of the City.

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates the age of 9 years has now been substituted for the age of 5 which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for the County and City, are:—

—	COUNTY OF LONDONDERRY.		CITY OF LONDONDERRY.	
	Population, 9 years and upwards.			
	Numbers.	Proportion per cent.	Numbers.	Proportion per cent.
Read and write, ..	69,730	84·6	28,899	87·9
Read only, ..	5,080	6·2	1,319	4·0
Illiterate, ..	7,584	9·2	2,656	8·1
Total, ..	82,394	100·	32,874	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage for the County and City of those unable to read or write, which was 14·3 in 1891, and 11·8 in 1901, had fallen to 11·6 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County and City of Londonderry returned as being able to speak the Irish Language in 1911 was 4,039, representing 2·9 per cent. of the total population.

Table (XXXVI.) gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County and City of Londonderry, according to the Census of 1901 (week ending 11th May), was 19,534. In 1911 the number returned (for week ending 13th May), was 21,493.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County and City of Londonderry, amounted to 9,257 (5,095 males, and 4,162 females); the number for the decade ending 31st March, 1901, was 8,152; for that ending with March, 1891, 23,199; for that ending with March, 1881, 26,939; for that ending with March, 1871, 16,841, and for that ending with March, 1861, 27,738, making a total of 112,126 for the sixty years.

WILLIAM J. THOMPSON,
Registrar-General.

(a) The town of Muff or Eglinton stands on the townland of Muff, in which its area and valuation are included. The enumerator reports that the houses now returned in the rural portion of the townland cannot be considered to form part of the town, in which, in 1891 and 1901, all the houses on the townland were included.

(b) Including the inmates of Gransha Lunatic Asylum.

AND POPULATION.

of each *POOR LAW UNION* (or *SUPERINTENDENT REGISTRAR'S DISTRICT*), *DISPENSARY* (or *REGISTRAR'S DISTRICT*), in the County and City of LONDONDERRY in 1911.

(a.) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows, and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or second class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

TABLE IX.—Showing the total number of OCCUPIERS (or HEADS of FAMILIES) in occupation of less than 5 rooms in the City (or County Borough) of LONDONDERRY, and in each COUNTY DISTRICT in the County of LONDONDERRY in 1911.
